PERFORMANCE & CHANGE

FACILITATION

VISUALISING PROGRESS

- ✓ Your process is graphically recorded on large scale maps
- ✓ Your creative energies are captured in visual form through pictures, maps, collages etc. enabling further continued inspiration
- ✓ You practice to express yourself with powerful symbols
- ✓ You have a clear sense of how the past, the present and the future are unfolding
- ✓ You grow a strong sense of common vision which allow to stay tuned when returning to daily business

*Creativity
leap*

*Innovation
boost*

*Paradigms
shift*

LEADING FROM WITHIN

- ✓ You are supported to be fully present to the process
- ✓ You differentiate between action and activism
- ✓ You recognize your beliefs and preconceived ideas
- ✓ You stop downloading past certainties and tune into the new
- ✓ Your individuality is strengthened which allow your team skills to develop and grow

CREDENTIALS Certified business coach; certified visual coach. Trainer & facilitator; Master & MBA in business administration; Senior executive positions in banking industry; EU official (Commission, ECB); International project management assessor; NLP master.

BUSINESS EXPERIENCE residence in 7 countries; lives and works in 4 languages; 20 years of multicultural team experience in public and private sectors; passion for team performance; professional insights on China (14 business trips so far).

VISION Enabling organisations, teams and individuals to tap and combine their potentials to deliver outstanding results.
